### e-Giving Login

#### \*Important Administrator Login Information\*

Historically, administrators logged into NCS e-Giving with unique usernames. On the new platform, you will login using the email address associated with your profile and your current password. If your email address does not work, try entering your unique username followed by @ncsservices.org. This will still require your current password from the legacy login page. Please note that if your address has been changed to the @ncsservices.org, the Forgot Password option will not successfully deliver an email.
